JAPAN TREATY  
MADE PUBLIC

(Associated Press Cable.)

WASHINGTON, D. C., Feb. 21.—  
Congress received a startling surprise  
today, when Secretary to the President  
Norton tendered in Representative Miller  
of Iowa, in the House, the text of  
the new treaty drawn up with the Ja-  
panese government, while, simultane-  
ously with the receipt of the text in  
the House, the President presented it  
to the Senate for consideration.

The text of the new treaty had not  
been expected for some time, and there  
had been no intimation that the diplo-  
mats representing America and Japan  
had concluded their work on the draft.  
Immigration Elimination.

The text of the treaty, which imme-  
diately became public, shows that it  
has been drawn with special reference  
to the elimination of any references to  
immigration restrictions.

It provides that either party to the  
treaty may renounce it at any time by  
giving six months' notification.

The treaty is comprehensive in its  
terms, containing twenty articles, cov-  
ering questions of trade and commerce.

LOWER CALIFORNIA AN

MEXICALI, Feb. 21.—The new gov-

have come from the council room,  
where the leaders of the revolutionists  
and a number of prominent Mexican  
and American Socialists are holding a  
conference.

American Spies.

SAN DIEGO, Cal., Feb. 21.—Two

Americans, captured at Tijuana, Lower

California, by revolutionists, are being

held as spies. They will be tried by

court martial tomorrow and if con-  
victed may be executed.

COMMONS DEBATE

LONDON, Feb. 21.—The crucial

moment in the attack by the Asquith gov-  
ernment upon the House of Lords has  
arrived. Today the debate upon the  
measure aimed at the abolition of the  
veto power of the hereditary cham-  
ber was begun in the Commons. All  
Great Britain is watching the develop-  
ment of the struggle with intense in-  
terest.
